

ALWAYS ON.

MyDay Energys® TAKE LENS COMFORT ALL THE WAY TO EXTRAORDINARY.

Phones, tablets and laptops; morning, noon and night. We're all on, all the time. Finally, there's a 1-day lens with the technology and comfort to take them all on. MyDay Energys® daily disposable contact lenses are the first 1-day lens powered by DigitalBoost™ and Aquaform® Technology. They're designed to help with tiredness and dryness symptoms from digital eye strain. Extraordinary comfort—always on.
